15 June 2015

9th EURAMET General Assembly - Thank you

Dear Janina, dear Colleagues from GUM,

On behalf of EURAMET, the Board of Directors and the Secretariat we would like to thank you for your kind hospitality and the marvellous organisation around the General Assembly week 1st to 5th June 2015.

The General Assembly is one of the most important events of the organisation and a challenging task to organise. This year's General Assembly was the biggest EURAMET ever operated with respect to the number of participants.

It was most kind of you to offer us the use of your infrastructure and your support, which gave us the opportunity of having productive meetings in a pleasant atmosphere in the heart of Krakow.

Your cordiality, great effort and tireless commitment in the preparation and during the General Assembly week can't be overstated.

Especially we and all participants were impressed by:

- The Welcome Reception at the Krakow City Hall,
- Your outstanding Gala Dinner to celebrate the World Metrology Day and
- The most awesome dinner in the Wieliczka Salt Mine.

It was your personal success to promote Metrology in such a professional way that the Deputy Minister of Economy, the President of the city of Krakow and journalists took part in the event.

We are grateful for all the help and support you provided before and during our stay. Please accept our warmest thanks and a small gift to keep us in good memory.

Yours sincerely
