European Metrology Programme for Innovation and Research (EMPIR) Call 2018: Stage 1 OPEN

Author: Patrycja Ruśkowska
Published by: Adam Żeberkiewicz

On 10 January 2018, EURAMET inaugurated officially the first stage of the EMPIR Call 2018 and invited research teams to submit proposals for the following topic areas: Health, Support for Networks, Normative, Research Potential, SI Broader Scope.

The Call is a two-stage process for joint research projects and joint network projects.

Stage 1 of the Call is for potential research topics and potential network topics and is open to any interested party, and opens on 10 January 2018.

Deadline: 19 February 2018, 23:59 CET.

Stage 2 of the Call is for joint research projects and joint network projects and is subject to eligibility criteria, and opens on 14 June 2018.

Deadline: 1 October 2018, 23:59 CET.

EURAMET will issue a Call for 'Support for Impact' projects designed to increase the impact from completed i-MERA Plus and EMRP projects on 24 July 2018.

Deadline: 24 September 2018, 23:59 CET.

Details are available on the dedicated website msu.euramet.org
